Says Alliance Abandoned.

There is testimony to the effect that after the adoption of the new Constitution the alliance was abandoned, there being no longer any need for it, and it is certainly true that n. 1995 the Democrats put in the field a full ticket, and that the County Committee adopted resolutions calling on all Democrats of whatever faction to support the Democratic candidates.

However, in the election of 1908, and notwithstanding the aforesaid resolution, the old officers under the fusion alliance were returned elected. This result was brought about by the fact that both the Fusion Democrats and the Straighted Democraty deserted and voted against their ticket. Dudley, the Democratic candidate for county clerk, and further the Democratic and their ticket. Dudley, the Democratic candidate for county clerk, and further the Democratic candidates for treasurer and commissioner of revonce in the election of 1903, failed to have their hames placed upon the officel seeker known as a "straw candidate."
